words speak from our heart to the loved ones currently in our life and those who will come long after we are gone.

If you are helping a loved one capture their Life Reflection Story, simply follow the workbook prompt: skipping those that seem too difficult or are not essential, and record their answers in the first person as if they were writing it for themselves.

Don't worry about the process of writing. This workbook and your writing sessions will help guide you. You may find it helpful to tell your stories out loud first and then capture their essence on paper. When you have shared all that you care to express, our team of writers, editors and designers will help you as needed to refine and preserve your story as a lasting keepsake for your loved ones, friends and community to treasure.

We wish you a meaningful and reflective writing journey.  
Your Celebrations of Life Team

*Some people come into our lives and quickly go.  
Some people move our souls to dance.  
They awaken us to new understanding.  
With the passing whisper of their wisdom.*

*Some people make the sky more beautiful to gaze upon.  
They stay in our lives for awhile,  
Leave footprints on our hearts,  
And we are never, ever, the same.*
