#Jenny

*Finally I get this ebook, thanks for all these I can get now!*

#Rio

*Cool! I'am really happy*

#Markus Jensen

*I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook*

#Hun Tsu

*wtf this great ebook for free?!*

#Che Salsa

*My friends are so mad that they do not know how I have all the high quality ebook which they do not!*

#Diego Butler

*so many fake sites. this is the first one which worked! Many thanks*

## • Systems design

- Describe system specifications that will deliver functions identified during systems analysis
- Should address all managerial, organizational, and technological components of system solution
- **Role of end users**
  - User information requirements drive system-building
  - Users must have sufficient control over design process to ensure that system reflects their business priorities and information needs
  - Insufficient user involvement in design effort is major cause of system failure
